

All records of immunisation provided in the NSW Health School Vaccination Program are uploaded onto the Australian Immunisation Register (AIR). Please note, immunisations given before 2014 may not be displayed.

To request your AIR Immunisation History Statement:

- 1) Create a myGov account or log in
<https://my.gov.au/LoginServices/main/login?execution=e1s1>
- 2) Link your Medicare account in the Services menu
- 3) Proceed to your Medicare Online Account
- 4) Click on the Immunisation History banner and complete the declaration
- 5) Download your Immunisation History Statement

If you are a parent/guardian requesting records for your child who is aged 14 years or older please follow the link for more information <https://www.health.gov.au/health-topics/immunisation/getting-vaccinated/check-immunisation-history>

Alternatively, contact AIR on 1800 653 809 or visit your local general practitioner to request an Immunisation History Statement.
